EDUCATION

University of Tsukuba (Ibaraki, Japan)

April 2021 – Current

Master Programs in Policy and Planning Sciences

Adviser: Yukie Sano

Expected graduation dates: 03/2023

University of Tsukuba (Ibaraki, Japan)

April 2017 – March 2021

College of Policy and Planning Sciences

Thesis: Academic world from the perspective of acknowledgement networks and reciprocity

Adviser: Yukie Sano

Bachelor of Science, GPA: 3.47/4.3

Universidad de Guadalajara (Jalisco, Mexico)

August 2018 – July 2019

University Centre Of Economic And Administrative Sciences

International Student Exchange program

EXPERIENCE

Reconstructing Network Dynamics from Data: Applications to Neuroscience and Beyond

Los Angeles, CA

Workshop hosted by Institute for Pure & Applied Mathematics, UCLA.

August 2022

g-RIPS (Graduate-level Research in Industrial Projects for Students - Sendai)

Online & Sendai, Japan

International research program hosted by the Tohoku Univ. and UCLA.

June 2021 – August 2021

Project theme: Optimization of wireless base station placement as an essential foundation for our future IoT society.

Internship, Optim.inc

Online

R&D Summer Internship at Optim.inc

September 2020 – October 2020

Intern theme: CNN-based crowd counting

Student Supports for conference

Tokyo, Japan

Student staff for the international conference NetSciX Tokyo, Japan

January 2020

International Exchange Student

Jalisco, Mexico

Tsukuba Trans-Pacific Human Capital Development Program International Exchange Program

August 2018 – July 2019

Teaching Assistant

- Introduction to Programming (2021 Fall)
- Introduction to Quantitative Economics (2021 Fall)
- Seminar in Social and Economic: Quantitative Systems Analysis Area (2021 & 2022 Spring)

HONORS & AWARDS

Student grants

October 2022

A student grant that fully covers the registration fee of the Conference on COMPLEX SYSTEMS 2022 at Mallorca, Spain.

Nakagawa Ikueikai Scholarship

April 2021 – March 2023

A Scholarship by Nakagawa Scholarship Foundation for 2 years.
This scholarship was offered to a few outstanding candidates in the Department of Systems and Information Engineering, University of Tsukuba.

Best Poster Award

March 2021

Award for the best poster presenter in the Network Ecology symposium 2021

SAS AWARD

December 2019

Award for the best solution proposed group in the class of Seminar on Management Science. We proposed a model for demand predictions of pharmacy productions.

Scholarship from Japan Society for The Promotion of Science

August 2018 – July 2019

A scholarship for international exchange program of Inter-university exchange project for 1 year

PRESENTATIONS

- 1. Reconstructing Network Dynamics from Data: Applications to Neuroscience and Beyond**
Los Angeles, CA / August 2022
Poster: Interdisciplinarity in authorship and acknowledgment networks
- 2. SOCIOECONOMIC NETWORKS AND NETWORK SCIENCE WORKSHOP 2022**
Online / August 2022
Oral presentation: Identified acknowledged scholars and their interdisciplinarity
- 3. NetSci2022**
Online / July 2022
Oral presentation: Identifying acknowledged scholars in open access journals and their networks
- 4. 17th Network Ecology Symposium**
Online / March 2022
Invited talk: Construction and Structure of Scholar Acknowledgement Network
- 5. Complex Networks 2021**

Online / November 2021

Lightning Oral talk: Empirical Analysis of Acknowledgment Network and Citation

6. SCIENCE OF INNOVATION AND SUCCESS WORKSHOP

Tokyo, Japan / August 2021

Oral presentation: Academic World from Acknowledgement Network Analysis

7. IC2S2: 7th International Conference on Computational Social Science

Online / July 2021

Poster: Citation and Gender Diversity in Research Acknowledgement Networks With Reciprocity"

8. Networks 2021: A Joint Sunbelt and NetSci Conference

Online / July 2021

Oral presentation: Citation and gender diversity in reciprocal acknowledgement networks

9. 16th Network Ecology Symposium (Best poster award)

Online / March 2021

Poster: Citation networks and gender diversity in reciprocal acknowledgement networks

10. 7th Service Engineering Symposium

Online / February 2021

Poster: The relationships between citation and reciprocity in acknowledgement networks

11. Network Seminar 2020

Online / December 2020

Poster: Emergence of reciprocity in research acknowledgements networks and that impact on citation

12. 7th Satellite on Quantifying Success 2020

Online / September 2020

Oral presentation: Emergence of reciprocity in research acknowledgement network
